11th annual

BSGAR

meeting 2009

4th-6th February
The Old Swan Hotel
Harrogate

This meeting has been
awarded 8 CME points

Since the inception of SIGGAR in 1999, Creative Conferences has had the pleasure of organising the Annual Meetings and looks forward to seeing you next year in Bristol.

Dear Colleague,

I am delighted to welcome you to the 11th Annual Meeting of the British Society of Gastrointestinal and Abdominal Radiology.

I am sure you will agree with me that we have a varied and exciting programme to look forward to. Indeed, many of the topics have been based upon suggestions from delegates at previous BSGAR meetings. These range from "The Acute Abdomen" to "Biliary Obstruction" and from "MR Defaecography" to "Bariatric Surgery".

I am sure you will also join me in providing a very warm welcome to our overseas speaker this year, Dr Mary Keogan.

I would like to extend particular thanks to all our speakers, sponsors and organisers without whom the meeting would not exist.

This year, for the first time, we have introduced a 'Welcome Reception' on the Wednesday evening and I very much hope to see you there.

So once again – welcome to Harrogate for what promises to be, yet again, a most informative and enjoyable BSGAR Annual Meeting.

Dr Clive L. Kay
Chairman
BSGAR
